About TED

TED is a non-profit organisation devoted to 'Ideas Worth Spreading'. Starting as a conference in California in 1984, TED has grown to support world-changing ideas with many initiatives. At a TED conference, the World's leading thinkers and do-ers are asked to give the talk of their lives in 18 minutes or less. TED speakers have included Roger Ebert, Sheryl Sandberg, Bill Gates, Elizabeth Gilbert, Benoit Mandelbort, Philippe Starck, Ngozi Okonjo-Iweala, Brian Greene, Isabel Allende and former UK Prime Minister Gordon Brown. On TED.com, talks from TED conferences are shared with the world for free as TED Talks videos. A new TED Talk is posted every weekday. Through the open translation project, TED Talks are subtitled to volunteers worldwide. Through our distribution network, TED Talks are shared on TV, Radio, Netflix and many websites.

For more information, go to www.TED.com

About TEDx

The TEDx Programme is to help communities, organisations and individuals to spark conversations and connection through local TED-like experiences. At TEDx events, a combination of live presenters and TED talks videos - sparks deep conversations and connections at the local level. TEDx events are planned and coordinated independently, under a free licence granted by TED.

About IIT Patna

The Indian Institute of Technology Patna is an autonomous institute of research in science, engineering and technology located in Patna, India which was established in 2008. It is recognised as an institute of National Importance by the Government of India.
